RE: LONDON YOUTH CIRCUS APPLICATIONS NOW OPEN!

Dear

Thank you for requesting information about the London Youth Circus run by The Circus Space.

We are really excited that the London Youth Circus is ready to expand and take in even more talented young people. Applications are now open for students to start the course in September.

The application form and audition are essential criteria for entry into the programme. As well as this, it is a great experience for any young person considering a career in the performing arts – it won't be too scary, I promise! Think of it as an opportunity for you to try out and show off your circus talents, and remember that we are looking at your long term potential as well as what you can do now. You shouldn't worry about how much (or how little) circus experience you have as we take students at all levels.

In the audition you will be asked to try out for your top three skills (that you will indicate on your form). Each of these sessions will be led by an experienced Youth Circus teacher who will support you through the exercises. On top of the circus skills, you will attend a movement class and a theatre class, where the teachers will be looking at how you work with others and think creatively as well as your general potential as a circus performer.

I enclose an application form for you to complete. If you would like to audition on Sunday 17th June (10.30AM – 1.00PM) you need to get your form in for the 1st June. If you would like to audition on Sunday 12th August (2PM – 5PM) the deadline is 3rd August.

If you have any questions about the London Youth Circus, the application process or anything else about our work with young people please give us a shout.

I look forward to receiving your completed form.

Kind Regards
